Testimonials

“All I can say is WOW! I wish we had this Ready2Talk system a few years ago.”

*Stan (North Carolina, USA)
Garage Pass Race Tours*

“Before making the decision to use Ready2Talk, I browsed around. It was very difficult to find similar devices and what I found were out of my budget. The PA system gives a great value for the investment, not to mention in the tourism business you can't conduct a tour without one.”

*Eduardo (Vancouver, CAN)
Heading North Recreation INC.*

“It really is the easiest system we have used. We will definitely be back to you early next year to order a couple more.”

*Jennifer (Scotland)
Best Scottish Tours*

“Love your product, I don't have to yell at people in the back of my van when driving around on tour now! Thanks again!”

*Barry (Florida, USA)
Dash Around Tours*

“Brilliant, really pleased I would recommend it to anyone!”

*Jackie (France)
Battlefield Experience Tours*

“It works perfect in the Sprinter, I really appreciate your service. It's the best service experience since we immigrated to the US.”

*Dennis (USA)
Germany America Tours*

“The PA system is fantastic! What an enormous improvement. Our tour guides are over the moon. Thank you so much for all of your assistance.”
